

Web Page Audited: Planning / Current Planning Applications

Checklist	Pass ✓	Fail ✗	Comments
1) Is colour alone used to convey important information?	✓		
2) Is the colour contrast of text readable by people with low-vision?	✓		
3) Do all images have alternative text?	✓		
4) Does the alternative text make sense?	✓		
5) If the image is a link, does the alternative text clearly identify the link destination?	✓		
6) Are all CSS background images either pure decoration or have alternative text?	✓		

Checklist	Pass ✓	Fail ✗	Comments
7) Is any text embedded in images?	✓		Text is embedded on the WPC Logo but there is alt text in place to describe the embedded text.
8) Does the tab order make sense?	✓		
9) Can you always see where the keyboard focus is?	✓		
10) Does the user have access to the full functionality of the page or application using a keyboard alone?	✓		
11) Do all form fields have appropriate labels?	✓	✗	Form label was missing due to software. This has since been fixed by changing the column view to scrolling.
12) Is all content and functionality available to a screen reader?	✓
